"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

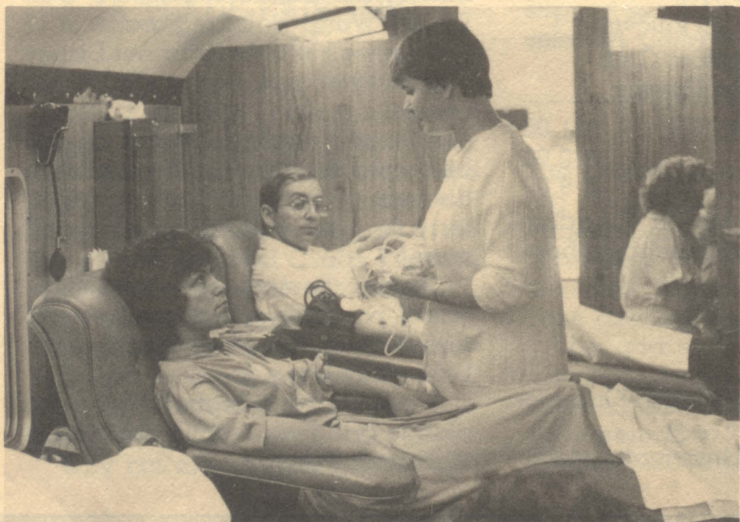

HOLIDAY BLOOD BANK COMING

Roll up your sleeves! It's that time of year again; time to donate a pint of blood to the **Holiday Blood Bank**. This year's Holiday Blood Bank is bigger than ever to better protect you, your family and our community.

Here are some startling facts about where your blood goes and how important it is: Approximately 18,000 pints of blood are used daily in the United States. Last year the Central Florida Blood Bank dispensed **70,000 units of blood** to save hundreds of lives. The Central Florida Blood Bank provides total transfusion requirements to hospitals in Lake, Orange, Osceola, Seminole, and St. Lucie counties.

During the Holiday season the Central Florida Blood Bank has a critical shortage of blood. Whole blood, which is used in transfusions, can only be stored for 35 days. After that it is broken down into its various components and kept for a year. Blood is never thrown away. It is too valuable! Our Holiday Blood Bank will help protect **all** Walt Disney World cast members and their immediate family as well as our community by creating a supply of whole blood that can be used during the critical holiday season.

Giving blood is safe and simple. An adult has between 10-12 pints of blood in his body and can easily spare a pint. The donor's blood volume is replaced within a few hours. The donor requirements protect you as a donor, and also protect you in case you need to be a recipient:

1. You must be at least 17 years of age. 17-year-olds must have written consent of a legal guardian.
2. You must weigh at least 103 pounds.
3. You must have never had jaundice or hepatitis.
4. You should not be taking prescription medicines of any kind.
5. You should not have a cold, sore throat, or flu symptoms the day you donate.

The nurse will ask you questions about your medical history as well as give you a brief physical examination to make sure you are healthy.

To donate, first, check with your supervisor to get clearance to leave your shift. Next call for an appointment at the Cast Activities Blood Hotline, ext. 5757 or 824-5757. This will save you time; it only takes 20 minutes to donate blood. Afterwards you will be given a receipt to return to your supervisor. Every employee will be released from his/her shift to give blood.

Here's the schedule of the Central Florida Blood Bank Mobile Unit locations:

ISRAEL JOINS COMMUNITY OF NATIONS AT EPCOT CENTER

Representatives of the State of Israel and Walt Disney World signed an agreement for the design of a major pavilion representing that country in the community of nations in World Showcase at EPCOT Center.

EPCOT Center is our vast new showplace for the nations of today and the technology of the future, currently under construction. It is scheduled to open October 1, 1982, and cost \$800 million. More than 120 million guests have already visited our Walt Disney World Vacation Kingdom since opening in October 1971.

The agreement was signed by **Joseph Wolff**, special advisor to the Minister of Finance for Israel and President of the Tourist Industry Development Corporation, representing the State of Israel. **Carl Bongiorno**, President of WED Enterprises and Executive Vice President of EPCOT Center, and **Howard Roland**, Corporate Vice President of Contract Administration, signed the agreement for the Disney organization.

The agreement, following months of negotiation, is the beginning of design for this latest addition to the World Showcase area of EPCOT Center. The pavilion is scheduled to open in 1983.

Wolff was part of a team from Israel, which also included **Samuel Ben-Tovim**, Consul and Trade Commissioner to the U.S. for the State of Israel and **Jeshaja Weinberg**, Director of the Museum of the Jewish Diaspora in Tel Aviv. The group has been consulting with our Disney organization to finalize their countries' participation in World Showcase.

The pavilion of the State of Israel joins eight other countries in the circle of nations surrounding the World Showcase Lagoon. They are: Mexico, the United Kingdom, France, Morocco, Japan, Italy, Germany and Canada. American Adventure, a dramatic presentation dedicated to the "American Spirit," will stand at the center of World Showcase and will be presented jointly by American Express and Coca-Cola.

Additional pavilions currently under development for future representation in World Showcase include Denmark and Africa.

DISNEY RELEASES "MARY POPPINS" ON HOME VIDEOCASSETTE

"Mary Poppins," Walt Disney's most popular and critically acclaimed live-action feature, will be released on home videocassette this month according to **Jim Jimirro**, president of Walt Disney Telecommunications and Non-Theatrical Division.

"We're very pleased with the opportunity to add this extraordinary film to our other available titles," Jim said. The film joins 10 feature films and three cartoon collections initially released on videocassette in October.

"Mary Poppins," produced in 1964, was nominated for 13 Academy Awards and won five, including an award for best actress for Julie Andrews. Disney himself considered the motion picture to be the culmination of his film-making career.

The "Mary Poppins" videocassettes will be available for sale or rental through authorized dealers at video specialty shops and in video departments of stores.

IT WAS A "GRAND" OPENING — BIG THUNDER!

With hundreds of invited guests present, and a special visit by **John Davidson**, our newest Magic Kingdom attraction, Big Thunder Mountain Railroad, opened amid enormous hoopla, including daytime fireworks.

The special entertainment presented by volunteer members of our cast was one of the highlights of the event.

All-in-all, it was a "grand" opening in the finest Disney tradition.

GROVELAND/CLERMONT/WINTER GARDEN — WDW BUS SERVICE OPENS

Side Car Coach Lines (not affiliated with the Disney Organization) has begun **daily bus service** between the communities of Mascotte/Groveland — Minneola/Clermont — Winter Garden/Ocoee and the Walt Disney Resort Complex. The service is being made available to Walt Disney World employees, and coincides with the major working shifts. Many cast members living along the route serviced by **Side Car Coach Lines** have requested a change in schedule to better accommodate their work shifts. Below is the new schedule, effective Saturday, November 22, 1980.

Cast members who live in these communities may now park downtown and board a transit bus to work.

The fee is based on a one-way ticket from the point of origination: Boarding in **Groveland or Clermont** — \$1.75 one-way, boarding in **Winter Garden** — \$1.50 one-way.

To make purchasing a ticket more convenient for you, drivers will be selling books of one-way tickets — 10 tickets to the book — thus giving admission aboard the bus for an entire week.

You must present a valid Walt Disney World ID prior to boarding the bus. Do you have a family member or friend interested in applying for a job here? That person can board the bus for a drop-off near the Employment Center, no WDW ID required. However, guests wishing to visit the Magic Kingdom may not ride aboard the bus.

For additional information and scheduling, you should call (904) 787-2340 days, (904) 429-4211 after 4 p.m.

NEWS

SOFTBALL TOURNAMENTS END — TRANSPORTATION AND THEME PARK MAINTENANCE TAKE TITLES

Two major Softball Championships were determined this past week, in both the Ladies' League and the Men's Late League.

Our **Ladies' League Softball Championships** went down to the last game this fall, with Transportation Ladies being crowned Champions as they slugged out a 6-0 victory over the scrappy Liberty Tree team. These two teams met three times during the tournament with Transportation winning the first game by a 6-5 score; Liberty Tree then came back to win the second meeting, 7-2, to force the final game. All the contests featured sparkling fielding, double-plays, line-drive catches, and good hitting. In the final game, the decisive factor was Transportation's superior hitting and fielding.

In a whirlwind finish to our tough eight-team **Men's Late League Softball Championships**, a Theme Park Maintenance team came all the way back through the loser's bracket to win five straight "must" games to capture the "gold" in our just-completed tournament. In third round contests, the Fubars took the favored spot by dealing Town Square a close 8-7 defeat. Meanwhile in the loser's bracket, Contemporary Foods feasted on Custodial by a 15-2 score, and Theme Park lowered the boom on Giraffe by a 7-4 final tally. On the next night, Theme Park slipped by Contemporary Foods to eliminate them by a close 5-3 score, and then came back to play another game, just getting by a tough Town Square team by an 8-7 final to eliminate them. On the final night, Theme Park Maintenance faced the Fubars, still unde-

feated. The Fubars needed just one win to clinch their first championship, but in an epic ten-inning battle, Theme Park scored a run in the bottom on the tenth inning to win 9-8, forcing a second contest to decide the whole affair. In this final game, the Fubars jumped off to a 2-0 lead in the first inning, but the Maintenance bats exploded in the bottom of the first to plate eight big runs. Fubars rallied for one run in the third, but Maintenance held the lead with solid fielding as the Fubars repeatedly left men on base in almost every inning. Theme Park, again and again, would come up with the big defensive play when it counted. The final score was 8-3, so Theme Park Maintenance, always a contender, took the long way home and captured their fifth championship.

The four-team **Men's Early League Tournament** began this past week with first-round scores showing Cast Activities outlasting Empress Lilly by an 11-8 score and World Landscaping defeating WED 8-5. In second-round games, Cast Activities defeated World Landscaping 12-2 to remain undefeated, and WED bounced back to eliminate Empress Lilly by a 9-5 final tally. On the next night World Landscaping surged back to eliminate WED by a 6-2 score, setting the stage for a showdown battle between **World Landscaping** and **Cast Activities**. Final results here will be reported in the next issue.

The softball season is now over, but all teams should look forward to the beginning of Spring Season and the resumption of league play. Watch January **EYES & EARS** for information.
